

PATRICK P. MARION, CFE

Pat Marion, who is a Partner in the Philadelphia office of Compliance Concepts, Inc., has 23 years of experience with the Department of Health and Human Services, Office of Inspector General, where he was responsible for audits and fraud investigations of various healthcare providers. As an audit manager in the IG's Region 3 office, Pat conducted numerous local and national audits on behalf of the Medicare program and has pioneered the use of the Federal False Claims Act to resolve certain healthcare related civil fraud investigations. Pat has attained national prominence as the national coordinator of the Physicians at Teaching Hospitals (PATH) initiative and has played leading roles in the DRG 72-hour window project and the Medicare credit balance investigation. He has frequently been called upon to provide briefings to congressional and high level departmental officials and has often been quoted in various national publications.

In his role at CCI, Pat is responsible for the development and negotiation of structured Medicare program repayments on behalf of various healthcare clients and provides specialized reimbursement and billing consultative services. He also participates in the assessment of client compliance levels and the design and implementation of corporate compliance programs. Pat coordinates CCI seminars and speaking engagements and conducts individualized client training sessions.
